

## Immunization requirements for 2021-2022

Prior to 7th grade (age 11-12)

1 dose Meningitis

1 dose of Tdap

Prior to 12th grade

2 doses of Meningitis 1 dose (after the age of 16)

If you are unsure if your child is current on their immunizations, please contact your child's health care provider or Calhoun County Public Health at 712-297-8323. Either your provider or CCPH can schedule a time for your student to come in and receive the required immunizations.

Both of these immunizations are mandatory and are required to be completed **prior** to the first day of school. Students will be excluded from school if these are not completed. If you have any questions, please contact the school nurses at the school district. Thank you for your help in keeping our students healthy!
