YEARBOOK

Where did you attend High School & what activities did you participate in?

I attended Paton-Churdan and was in choir, band, speech, volleyball, basketball, track, softball and, student council. I was also in 4-H and was a 4-H youth leader.

Someone I look up to & why~Even though my mom is no longer around, I still think about advice she would give to me or has given to me. She was a great person and taught me more things than I could imagine.

Hobbies, Interests & What I do when I'm not teaching... I enjoy cross stitching, reading all genres of books, spending time with friends and family by the pool and cooking all kinds of delicious foods.
