YEARBOOK

Someone I look up to & why I looked up to my parents. They were the greatest role models for me growing up. As an adult, I have looked up to my dear friends Gary and Nila Spencer and Phyllis Caldwell, also because they have been great role models. They all exemplify traits of the kind of person I'd like to be.

When I'm not teaching, I love to spend time with my family and friends. My husband and I are avid, long-time walkers. I like to ride my bike with Carol Newland and Donna VonGlan in the summer months. I enjoy gardening, being outside, sewing, doing various arts and crafts, especially painting.
